WORK EXPERIENCE

Full-Stack Developer (Project Experience)

Personal Portfolio Platform | React.js, Node.js, Express.js, MySQL

2024 – Present

[GitHub](#) | [Live Demo](#)

- Developed and deployed a full-stack portfolio platform using React.js, Node.js, Express.js, and MySQL.
- Implemented secure JWT-based authentication with protected admin dashboard functionality.
- Built scalable RESTful APIs for managing projects, skills, and dynamic portfolio content.
- Designed responsive and modern UI components using React.js and Tailwind CSS.
- Integrated MySQL database for efficient data storage, retrieval, and content management.
- Created reusable frontend components to improve scalability, maintainability, and code reusability.
- Optimized application performance, responsiveness, and cross-device compatibility.
- Followed clean code practices and component-based architecture for better development workflow.

Coffee Shop Web Application | Node.js, Express.js, MySQL

2024 – Present

[GitHub](#) | [Live Demo](#)

- Developed and deployed a full-stack coffee shop web application with product browsing and order management features.
- Built scalable backend services and RESTful APIs using Node.js and Express.js.
- Integrated MySQL database for managing products, customer orders, and contact information.
- Implemented authentication, routing, middleware, and error-handling functionality for secure application flow.
- Designed responsive and mobile-friendly user interfaces with clean layouts and modern web technologies.
- Enhanced user experience through intuitive navigation and optimized frontend structure.
- Utilized Git and GitHub for version control, collaboration, and project management workflows.
- Applied component-based development practices to improve maintainability and scalability.

OBJECTIVE

Motivated and detail-oriented Full-Stack Developer with hands-on experience in building responsive web applications using React.js, Node.js, Express.js, and MySQL. Passionate about developing scalable, user-focused solutions and improving application performance through clean and efficient code. Seeking an opportunity to contribute technical skills, problem-solving abilities, and continuous learning mindset to a growth-oriented software development team.

EDUCATION

Bachelor of Science (B.Sc.) in Computer Science
Satish Pradhan Dnyanasadhana College, Thane
University of Mumbai | 2024

GPA: 7.13 / 10

Relevant Coursework:

- Data Structures and Algorithms
- Database Management Systems
- Software Engineering
- Web Development
- Computer Networks

SKILLS

- JavaScript (ES6+)
- HTML5
- CSS3
- React.js
- Tailwind CSS
- Node.js
- Express.js
- MySQL
- MongoDB
- REST APIs
- Git & GitHub
